SUMMARY

MCA student and aspiring **Java Backend Developer** with hands-on experience in **Java, Spring Boot, Hibernate/JPA, REST APIs, SQL, and web technologies**. Developed backend applications using Spring Boot and implemented CRUD operations, database integration, and RESTful APIs. Completed a Java Developer internship with practical experience in **Core Java, OOP, database operations, Git, and debugging**. **Hands-on experience with Microservices, Spring Security, PostgreSQL, and React** with a strong interest in developing scalable and reliable software solutions.

EDUCATION

Computer Application (Master Of Computer Application)	PIRENS Technical Campus Loni	2025-2027
A+ (SGPA : 8.81) • Ahilyanagar		
Computer Science (B.SC (Computer Science))	Shri Sai Baba College Shirdi	2022-2025
A+ (CGPA : 9.32) • Ahilyanagar		
Science (HSC)	Swami Vivekanand Junior College	2020-2022
A+ (68.67%) • Ahilyanagar		

EXPERIENCE

Java Developer Intern (pune)	TechnoGrowth Software Solution	6 months
• Developed backend features using Core Java and OOP concepts		
• Performed CRUD operations using PostgreSQL.		
• Used Git for version control and bug fixing		

PROJECTS

Enterprise Resource Planning	3 months
• Developed a web-based College ERP System with dedicated Student, Faculty, and Admin modules .	
• Implemented features to manage student and faculty-related academic information through centralized modules.	
• Designed the system to streamline college administration and reduce manual academic operations.	
prenatal Yoga Care	3 months
• Developed a platform designed to support pregnant women through guided yoga sessions.	
• Provided access to live and recorded yoga videos for convenient prenatal yoga practice.	
• Designed the application to make yoga sessions easily accessible from a single platform.	

SKILLS

🔗 Java	🔗 Spring Boot
Core Java , Advance Java	Hibernate / JPA / REST / APIs / MVC / Microservices
🔗 Spring Security	🔗 Spring Authentication
API Security , RBAC	JWT , OAuth
🔗 SQL	🔗 React
Database Design , Query Handling	Html , css , js
🔗 DevOps & Tools	🔗 Deployment
Git / GitHub / Docker / Maven /Postman	Application Hosting & Deployment

CERTIFICATIONS

Certificate in Full Stack Java Development

Certificate in Mobile Application Development

LANGUAGES

English	Marathi	Hindi
